Dear Mr. Ramos:

Subject: BOUNDARY INTERPRETATION No.: 02-06 for Tax Map Key No.: 1-4-28: 11, WaaWaa
Subdivision, Puna, Hawaii

Pursuant to your facsimile letter received on February 22, 2002, requesting a boundary interpretation for the subject parcel, we have enclosed a copy of a previously prepared boundary interpretation, dated December 7, 1976, on which we delineated an approximate location of the State Land Use (SLU) Agricultural / Conservation District boundary relative to the subject parcel and surrounding areas.

For your information, our records indicate the SLU Agricultural / Conservation District boundary for the subject parcel parallels the shoreline at a distance averaging approximately 300 feet. For a more precise determination of the boundary, we would require a valid shoreline survey certified by the Chairperson of the Board of Land and Natural Resources. This survey should also include information relating to the location of the government road, contour lines, triangulation stations, and other landmarks that would support the location of the district boundary.

Should you require clarification or further assistance, please feel free to call Fred Talon or Bert Saruwatari of my staff at 587-3822.

Sincerely,
