Dear Dr. Solomon:

Special Permit No. 489 (81-6)  
Tax Map Key 5-5-04:47

The Planning Commission at its meeting on September 15, 1983, voted to nullify Special Permit No. 489 inasmuch as we were informed that your father, Randolph Solomon, does not intend to pursue the development of the proposed beef processing facility on the subject property.

Should you have any questions, please do not hesitate to contact the Planning Department.

Sincerely,

Clyde Imada  
Chairman, Planning Commission
