PLANNING DEPT.
COUNTY OF HAWAII

Dear Sidney:

Re: Proposed subdivision portion
of Grants 1162 and 2862
Onouli 2 and Keopuka, South Kona
TMK: 8-1-07:por 1 (80-246)

In studying the map proposing the subdivision of
Agricultural and Conservation lands in Onouli and Keopuka
(County's Agricultural and Unplanned zones) we have these ques-
tions:

1. Will these parcels remain Agricultural and Unplanned?
2. Do we have to fear residential subdivisions on those lands?
3. There is quite a bit of shoreline property involved, will you protect this for the public? We would suggest a 100-foot setback.

We are very interested in this virgin territory--
please keep us advised of the progress of the application.

We hope you and your staff have a joyous holiday
season and a GREAT '81.

Sincerely,

William Hodgins Poi
