Dear Mr. Weeks:

SUBJECT: Kaawaloa Road, TMKS: 8-1-10:3 & 8-2-02:2

SUB 96-17

Thank you for bringing PAC INV., INC.'s proposed consolidation and resubdivision to our attention.

Two old government roads cross your clients' parcel, the Kaawaloa Road and the Keauhou-Napoopoo Road. Both are owned in fee by the State of Hawaii per Chapter 264-1 H.R.S. and are administered by the Department of Land and Natural Resources Trail and Access program as public access routes per Chapter 198D, H.R.S.

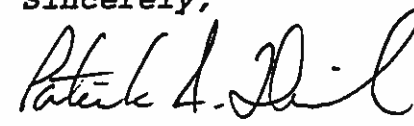

The approximate location of both is indicated on the enclosed copy of a portion of the USGS Honaunau quadrangle.

We believe it would be in the best interest of your client to establish the legal description of both before attempting to proceed with further development planning.

Na Ala Hele staff will be happy to assist in locating either of these trails.

If you have any questions, do not hesitate to contact either myself or Pat Thiele at 933-4221.

Sincerely,

Sir RODNEY T. OSHIRO
