MEMORANDUM

TO: Mr. Roy K. C. Sue, State Parks Administrator

FROM: Roger C. Evans, Staff Planner
Planning Office

SUBJECT: Review of Projects with Conservation District

We have reviewed the projects listed in your October 9, 1981 Memorandum and have the following to offer:

Generally, in any area which is under Executive Order (EO) for park purposes, a CDUA is not required for park improvements, unless there is a change or expansion in existing land use.

Areas which are not under EO will require a CDUA prior to improvements since they legally are not a State park. The CDUA would be for the establishment of a State park.

These general comments apply to all except the Renovation of Hanalei Pier which is a non-conforming use in the Conservation District. Insofar as the work is to alleviate a public hazard, no CDUA is required.
