MEMORANDUM

TO: Mr. Roy K. C. Sue, State Parks Administrator  
FROM: Roger C. Evans, Staff Planner  
Planning Office  
SUBJECT: Review of Projects with Conservation District

We have reviewed the projects listed in your October 9, 1981 Memorandum and have the following to offer:

Generally, in any area which is under Executive Order (EO) for park purposes, a Cдуа is not required for park improvements, unless there is a change or expansion in existing land use.

Areas which are not under EO will require a Cдуа prior to improvements since they legally are not a State park. The Cдуа would be for the establishment of a State park.

These general comments apply to all except the Renovation of Hanalei Pier which is a non-conforming use in the Conservation District. Insofar as the work is to alleviate a public hazard, no Cдуа is required.
