Gentlemen:

This is a follow-up request per our letter dated August 11, 2004 (see attached copy) from David B. Hatchell, LPLS, M&E Pacific, Inc., together with inquiries dated June 3, 2005 and November 2, 2005.

This request is to, again, amend approved Subdivision No. 7459 – Revised.

The Amendment relates only to a revision to original Lot 2 and to correct the approved parcel configuration containing 467.672 acres.

The ocean front parcel makai of the Old Governemnt Road (TMK: 8-5-05: 031) should not have been included as part of Lot 2.

The ocean front parcel was not intended to be a part of the subdivision.

Lot 2, containing 403.024 acres, would terminate at the mauka edge of the Old Government Road.

Re: Submittal of Amended Map of Kiilae Subdivision  
Subdivision No. 7459-Revised

Dear Mr. Yuen:

Attached are ten (10) copies of the amending map for the Kiilae Subdivision that was originally approved October 11, 2001.

The purpose of the amending map is to correct the parcel configuration shown on the original map. The parcel makai of the Old Government Road (TMK: 8-5-05:031) was mistakenly shown within the boundaries of land to be subdivided. This parcel was not intended to be a part of the subdivision. We feel that the filing and acceptance of this amending map will correct this error and prevent any future confusion.

Thank you for your consideration in this matter.

If you should have any questions, please feel free to contact me at (808) 521-3051.

Yours truly,

David B. Hatchell, LPLS

Harold,

I am trying to find out what happened to the amended map that we submitted in August of last year – Ed Chepelic says that he has never seen it – our client – CMI wants to know what happened to it – if you could check at planning and see who has this map and why it has never been acted upon I would appreciate it. Thanks.
