Dear Mr. Darvill:

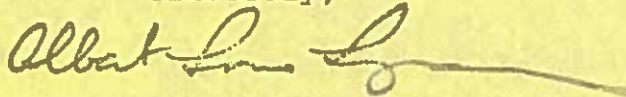

Special Management Area Use Permit Petition (86-13)
Multi-Purpose Educational Facility
Tax Map Key No. 8-4-13:18

The Department of Parks and Recreation has submitted the attached comment regarding the adequacy of parking for the proposed facility. Since we share similar concerns about on- and off-site parking demands, we would appreciate receiving a response from you which addresses a solution to the situation.

A parking agreement between you and Pu'uhonau O Honaunau National Park was referenced in the SMA submittal. May we also receive a copy of this agreement in order to assess the present parking situation against future needs.

We look forward to hearing from you.

Sincerely,

ALBERT LONO LYMAN
Planning Director
