RIGHT-OF-WAY

PROPERTY CORNER RADIUS
AT ROAD INTERSECTION

Handwritten initials

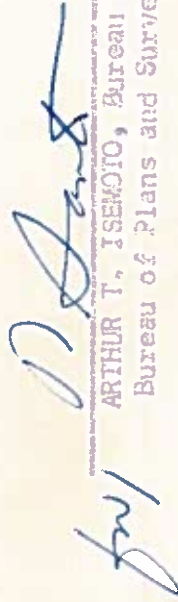

TURN AROUND

DRAINAGE

OTHER COMMENTS:

1. Preliminary approval granted with the following stipulation:

The width and ownership of the Milolii-Honomalino trail be clarified by the subdividers and the State Land Department be allowed to review and comment on the findings. We believe the State would be interested in this matter since the said trail serves as an access to the government land of Honomalino.
