Re: Special Management Area Use Permit No. 214,
Time Extension to condition No. 7

TMK: 3-7-9-12:3

Dear Al,

Thank you for deferring the action on the SMA permit for TMK: 3-7-9-12:3 as long as you did and for taking it off of the December calendar. The development plans for the property are still uncertain and withdrawing the time extension request seemed like the most reasonable thing to do.

The development of a golf course on the property is being considered and I appreciate being sent the appropriate applications.

I'll be in contact with you and your staff soon. If I don't see you before, have a Merry Christmas and Happy New Year.

Sincerely,

M. Libbie Kamisugi

Dear Ms. Kamisugi:

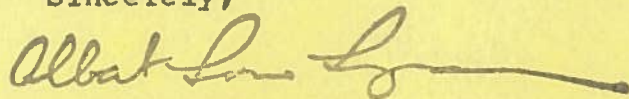

Special Management Area Use Permit No. 214
Time Extension to Condition No. 7
TMK: 7-9-12:03

Per your request via a telephone conversation with staff Connie Kiriū on November 12, 1986, we are withdrawing the above time extension request and nullifying the SMA Use Permit No. 214. The \$200 filing fee will be returned at a later date.

Your client is in the process of changing development plans for the subject property. The construction of a golf course has been discussed as one option. For your future use and information, please find enclosed an SMA Use Permit Petition and a Special Permit Application, which must be submitted for this particular type of development proposal.

Please feel free to contact our office should you have any questions regarding these application forms or other permitting concerns.
