Thank you for the opportunity to review this subdivision application plat map that was received by our office on February 22, 2013. The application indicates the aforementioned TMK parcels, which totals 449.498 acres, will be subdivided into 13 lots of various sizes and 2 road ways. Our records indicate that are archaeological and cultural sites such as the Pali O Niu Heiau, Pu'ueo Heiau, and the Ala Kahakai Trail on this property. At this time, SHPD requests **more information** in the form of preliminary plat maps in order to adequately review the potential impacts of this subdivision.

Please contact Mike Vitousek at (808) 652-1510 or [Michael.Vitousek@hawaii.gov](mailto:Michael.Vitousek@hawaii.gov) for any questions or concerns regarding this letter.
