Aloha Chrys,

The document you submitted about the relocation of PA easements was satisfactory but Daryn still wants the FPM corrected to change Note 10 call-out at the SMA line because it says Note 11.

Also I see Planting screen at highway on Foti Lot 11 (FSA-SUB-06-000435) is called out "PS-" without the "1". I further found that "ASP-7" says it's "For Public Access Purposes" but should be Arch. Pres.

Don't know why he won't just sign final and let you come in with revised for recertification, oh well.
